

## Enabling web page translation service

When you click on the Language icon in the website banner Language, you may see a blank box. The reason for this is a security setting in your browser.

Translate this website with google	×

To resolve the issue, scroll to the bottom of the webpage and click on the link titled "Cookie Policy".

|--|

In the page which opened, scroll to the bottom of the page, tick the "Functionality" checkbox, and then click on "Save".
